It's so hot here right now. Oh, well, not right now -
the 2nd volume gets released in October, and it's still

So, everyday I've been watching two movies at a time, and the best one that I've watched recently is "Ookami Kodomo no Ame to Yuki (The Wolf Children Ame and Yuki)". I liked all 3 of Director Hosoda's movies but this is my favorite out of the 3. I think I'm going to buy the Blu-ray once it's out and watch it over and over again.

It's a heavy movie, but those tears are the refreshing kind of tears. Really, after watching the movie, I felt so full of warmth to the point that I bought a cushion with a nice texture at the Afternoon Tea general store without thinking! In the past, what warmed me up was when I was pregnant. During that period, too, I bought a pillow with a nice texture at the same Afternoon Tea! It's a beautiful movie that honestly made me realize with warmth and kindness.

WOULD BE TOO SELFISH OF ME, WOULDN'T IT?

AMAMINAT

NOT TO
MENTION
I'M TROUBLED
YOU.

I WAS
FLUSTERED
ALL BY
MYSELF.

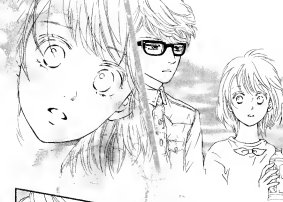

I'M A LIT'
NERVOUS,

SO I HAVEN'T
BEEN TALKING
MUCH.

FROM MY
END, I'M
SORRY,
TOO.

AS EXPECTED,
SHETARA-KUN

Special to Thanks Thank you always

One-then, Doga-san Kyumei-Chan Kayou Isami-then Tamachi-san Otter-san my Family

About the 'Koushitsu-kun' included at the end of the volume T-kun who used to be my assistant is the model for Koushitsu-kun T-kun is a guy who questions and thinks about everything Since we worked on a monthly basis we only got to meet once or twice each month Thing is his drawer is last month's question was given this month, and one month passed before he returned!! Even I myself had forgotten what was in that I admit!! Anyway, he's of good character And a hunk too He was called 'Prince' back in the school, but when he's thinking, he does so while perching his chin on his hands is a pretty image of 'Robin the Sheriff' (Plus he does it for a long time!) It's interesting, so I got his permission and got myself a manga. As to why he gave delayed answers, I took it upon myself to illustrate the explanation Now he's doing a series in a *Seinen* magazine du jour! Please read it! T-kun!! Next time please sign an autograph for me!

There are tons of interesting kids The kids who're helping me now are all interesting kids too so I somehow ended up drawing them sorry guys! There's no such thing as an ordinary kid huh. What's 'ordinary' anyway? Thank you always And to all readers who sent me their thoughts Thank you very much

To the reader who studied the characters in *Kutaku no Kyoushitsu* and the one who took a hint out of Ken and Masao's father and cut out then pasted clips from *Seinen* magazines (There were no names!) thank you very much! I'm happy that the things I drew struck a chord with readers even if just a little!
